

George A. Sabo Jr. Scholarship Award

The George A. Sabo Jr. Scholarship is awarded to any graduating senior who is a Prospect resident, with a commitment from a college or university for the next fall semester. Submissions to this essay driven scholarship can be submitted via email or US mail to the email and mail addresses noted below. The scholarship is funded and awarded by the Prospect Democratic Town Committee.

In honor of Mayor Sabo, the questions are created to challenge the writer to consider topics related to either the Town of Prospect he loved, or the political process he so respected.

There is one question this year, for students to express themselves. The submission should include a cover page with the applicant's name, address, email, phone number, and the institution you will be attending in the fall. The submission should be at least 500 words, and thoughtfully consider and respond to the question asked.

The deadline for submissions is June 30, 2021.

“With the new day comes new strength and new thoughts.” — Eleanor Roosevelt

In light of those words, what life lessons have you learned during the COVID-19 pandemic that will help you in college and beyond? What new strengths have you discovered? How has the pandemic affected your college search and expectations for your continuing education?

If you have further questions or inquires you can also email prospectdems@gmail.com for assistance.
